

ARKANSAS TEACHER RETIREMENT SYSTEM
GASB STATEMENT NO. 68 - EMPLOYER LEVEL REPORTING
JUNE 30, 2016

January 20, 2017

The Board of Trustees
Arkansas Teacher Retirement System
Little Rock, Arkansas

Ladies and Gentlemen:

This report provides information required by the Arkansas Teacher Retirement System (ATRS) at the employer level in connection with the Governmental Accounting Standards Board (GASB) Statement No. 68 "Accounting and Financial Reporting for Pensions." This report is intended to complement the GASB Statement Nos. 67 & 68 report dated December 22, 2016.

Our actuarial calculations for this report were prepared for the purpose of complying with the requirements of GASB Statement No. 68. In accordance with the auditor's request, these calculations are made for all members of ATRS as if ATRS is one cost-sharing plan. We have performed calculations at both the Plan and employer level; however, there may be additional required calculations at the employer level that are beyond the scope of this report.

Our calculation of the liability associated with the benefits described in this report was performed for the purpose of satisfying the requirements of GASB Statement No. 68. The calculation of the plan's liability for this report may not be applicable for funding purposes of the plan. A calculation of the plan's liability for purposes other than satisfying the requirements of GASB Statement No. 68 may produce significantly different results. This report may be provided to parties other than the System only in its entirety and only with the permission of the Retirement Board. GRS is not responsible for unauthorized use of this report.

This report is based upon information, furnished to us by the Retirement System staff, concerning retirement and ancillary benefits, active members, deferred vested members, retirees and beneficiaries, and financial data. If your understanding of this information is different, please let us know. In particular, for GASB Statement No. 68 purposes, ATRS provided the individual employer required and actual employer contribution amounts for the fiscal year ended June 30, 2016. This information was checked for internal consistency, but it was not audited by us.

This information is presented in draft form for review by the plan's auditor. Please let us know if there are any items that the auditor changes so that we may maintain consistency with the plan's financial statements.
